TEKNİK ÖZELLİKLER

Genel Bilgiler

Kapasite	: 320 – 1.000 Kg
Hız	: 1 m/sn
Durak Adedi	: 2 - 16
Kapı Tipi	: VVVF, tam otomatik

Kapılar ve Butonlar

Kabin Kapısı	: Elektrostatik Boyalı
Kat Kapıları	: ESB, 90 dakika yangına dayanıklı
Kabin Buton Paneli	: Tam boy, paslanmaz yüzey, kat göstergesi, acil aydınlatma, alarm, aşırı yük, intercom, kapı açma ve kapama butonu, etiketlik
Kat Buton Paneli	: Paslanmaz yüzey, gösterge, yön okları, buton

Kabin Özellikleri

Kabin Duvarları	: Elektrostatik boyalı
El Tutamağı	: Elektrostatik boyalı
Süpürgelik	: Elektrostatik boyalı
Tavan	: Düz tavan, elektrostatik boyalı, spot lamba
Taban	: PVC
Ayna	: Arkada yarım boy
Havalandırma	: Emici fan
Aydınlatma	: Otomatik
Yük Ölçümü	: Mekanik
Fotosel	: Tam boy

Kumanda Sistemi ve Tahrik Grubu

Kumanda Sistemi	: Mikroişlemcili, tam otomatik
Tahrik Sistemi	: Dişlili, dişlisiz, hidrolik

Diğer Bilgiler

Standart	: EN-81, CE ve Gost normuna uygun
Ambalaj Şekli	: Sandık, palet, bağ

TECHNICAL SPECIFICATIONS

General Information

Capacity	: 320 – 1.000 Kg
Travelling Speed	: 1 m/s
Floor	: 2 - 16
Door Type	: VVVF, full automatic

Doors & Buttons

Car Door	: Electrostatic powder coating
Landing Door	: Electrostatic, 90 minutes fire proof
Car Operating Panel	: Full length, stainless steel surface, floor indicator, emergency light, alarm, overload indicator, speech module, door open/close, elevator info panel
Landing Operating Panel	: Stainless steel surface, indicator, arrow, button

Car Information

Walls	: Electrostatic powder coating
Handrail	: Electrostatic powder coating
Skirting	: Electrostatic powder coating
Ceiling	: Flat, electrostatic, spot light
Floor	: PVC
Mirror	: Half size at rear wall
Ventilation	: Suction fan
Lightening	: Automatic
Load Measurement	: Mechanically
Photocell	: Light Curtain

Control Panel & Traction Information

Controller	: Microprocessor, full automatic
Traction	: Geared, gearless, hydraulic

Other Information

Standard	: According to EN-81, CE or Gost
Packaging	: Wooden box, pallet, bundle
